

We have returned to our "Phase Two" Sunday morning service plan. We are holding two "in-person" services - one at 8:30 and the other at 11:00. We are not currently offering nursery, child care, or Sunday School. In order to accommodate proper physical distancing in our services we ask that anyone who desires to attend please contact the church office (984-0116 or [gracesecretary@gracemaryville.org](mailto:gracesecretary@gracemaryville.org)) so that we can direct you to the proper service time. If you desire to attend and would like to be with a group who are wearing masks, a livestream option in our downstairs Uth Room (enter on the bottom level) will be available during each service.
